Electric Vehicle Charging Stations

## VALUE OF WORKING WITH OMNIA PARTNERS, PUBLIC SECTOR

OMNIA Partners, Public Sector is the nation's largest and most experienced cooperative purchasing organization for public sector procurement, working with over 90,000 organizations.

### With OMNIA Partners, Public Sector, you get:

- A viable contract that enables you to purchase equally
- Vetted vendors
- No annual coast
- Free freight
- Faster, smoother procurement
- Competitive pricing, including on 18,000+ TAPCO products

## WHAT TAPCO HAS TO OFFER

As an industry-leading innovator serving the United States and beyond, TAPCO manufactures, services and distributes a wide portfolio of traffic and parking safety solutions designed to increase safe travels for all. Since 1956, we have set the standard for delivering reliable, cutting-edge traffic safety enhancements.

With global electric vehicle (EV) purchases skyrocketing every year, TAPCO's partnership with industry-leading Blink Charging Co. provides organizations with reliable, cost-effective EV charging stations
